1. Describe the product you have in mind
2. Is there is an existing product you wish to emulate? Yes No  
If yes, please answer questions 3–5. If no, skip to question 6
3. What are the brand and product names?
4. What do you like about this product?
5. What don't you like about this product?
6. What would you like your product to deliver?
7. What claims will you make about your product?
8. How will the product be applied or used?
9. What essential oils or other ingredients are essential to this product formula?

10. What ingredients (if any) do you wish to avoid?

I understand that a \$500 development fee, payable upfront, will provide me with an initial consultation of up to two hours, including an olfactory test to determine suitable fragrances, for a single product formulation; research of up to three hours to develop my custom blend, and three sample blends for me to choose from. If more research time is required, I will be informed and an hourly rate of \$85 will apply. If more than three samples are required, I will be billed for the cost of ingredients and research time.

I will receive a credit of 10% of each order (custom blend and/or wholesale products) placed in the first six months, up to 50% of my initial development fee (up to \$250).

I understand that Inshanti is not responsible for the success of my custom blend nor responsible for any marketing claims I choose to make and that custom blends are not returnable and nonrefundable. I agree that custom product formulas created by Inshanti remain the property of Inshanti.
